Index

Here is an index to all the bills and legislative issues featured in the *Legislative Update* during the 1988 session. This is a cumulative index arranged by subject, bill number and author, beginning with the January 12, 1988 issue.

It is important to note that this index is only for information that appeared in Issues 1-22 of the 1988 *Legislative Update*. It is not an index of all issues or all bills considered during the session.

In addition to indexing the short summaries of bills introduced, research reports are included in this listing. Their references are printed in upper case letters in the subject and bill indexes .
